New York, Dec. 15.—Charley White, Chicago lightweight, won a technical knockout over Ritchie Mitchell, of Milwaukee tonight in the tenth round of a fifteen round match at Madison Square Garden.

Mitchell's seconds threw a towel in to the ring after two minutes and 49 seconds of the round had elapsed and as Mitchell fell to the canvas for the third time.

Mitchell's shifty style of attack bothered White during the early part of the bout, but the slender Milwaukeean, was unable to stand up under White's terrific blows. White floored Mitchell in the first round with a left hook but the latter came back in second round and had the Chicago boxer groggy, opening cuts under White's right eye and on his lip.

Mitchell stayed on the aggressive during the next few rounds but both slowed up. Seizing an opening in the ninth round, White staggered Mitchell with his left and sent him to the canvas. The ball saved White from a knockout in the second.

White smashed his right and left cross with telling effect in the tenth and soon had Mitchell in distress. Mitchell tried to fight back but still ran into a left hook that again sprawled him on the floor. He staggered to his feet only to go down again in the face of a fusillade of blows and the fight ended as a towel was tossed into the ring from his corner.

**ROUND ONE**

White took the aggressive in the first round and dropped Mitchell for the count of nine with a left hook to the jaw. Mitchell drew blood from White's nose with a stiff jab, but White retaliated with a terrific two-fisted attack, badly cutting Mitchell's mouth.

**ROUND TWO**

White was aggressive in the second at the start, but Mitchell unleashed a sensational assault. He drove White about the ring with hard lefts and rights to the jaw. White plainly was groggy as the bell rang.

**ROUND THREE**

Mitchell staggered White with a wicked left hook to the chin. White swung wildly several times and clinched repeatedly. Mitchell nearly fell through the ropes backing away from a clinch, but quickly recovered and had the lead as the round ended.

**ROUND FOUR**

Both waded in with two-handed drives and White shot over a hard left to the jaw, and following shortly afterward with a hard right to the body. He snapped White's head back with a succession of rights, but White retaliated with a stiff left hook to the jaw.

**ROUND FIVE**

The round opened slowly, Mitchell shooting over the first effective blow, a hook to the jaw, and following shortly afterward with a hard right to the body. He snapped White's head back with a succession of rights, but White retaliated with a stiff left hook to the jaw.

**ROUND SIX**

White shot in his left twice without a reply and drove Mitchell to the ropes with a right to the body. Mitchell missed a terrific right hook as they mixed. White drove both hands to the Milwaukeean's head, opening a jagged cut over the latter's right eye.

**ROUND SEVEN**

White landed two hard lefts to the body, but Mitchell came back and traded punches, shaking White with a left uppercut. They were sparing at the bell.

**ROUND EIGHT**

Both landed hard blows to the head during a swift exchange. White hooked a stiff fight to Mitchell's chin, but received a hard right and left in retaliation.

**ROUND NINE**

Mitchell's shifty attack and left jab bothered White. The Chicagoan landed lightly on the head and then missed. Mitchell staggered him for a moment but he came back with a terrific assault and sent Mitchell down for a count of nine. White was booted as he pushed Mitchell to his knees from a clinch. The bell saved Ritchie from further punishment. His mouth was cut and his face badly battered.

**ROUND TEN**

White sent Mitchell down again for the count of nine after staggering

series of blows to the head. Mitchell came up to take the aggressive, but did not land effectively. White waited for an opening and sent Mitchell down again.

## WINDHAM HIGH TEAM HAS STIFF SCHEDULE

Windham High school's basketball team is to open its season next Friday night when it stacks up against the strong South Manchester high school team in the Windham school gymnasium. But one member of last year's W. H. S. quintet is available this year but Coach Arthur Sullivan has a wealth of material to select from and present indications point to the fact that the team representing "Old Windham" this year will compare favorably with those who have made an enviable reputation for the school in this branch of sport in years past. Competition is so keen and the several position that it is impossible as yet to state who will start the game for W. H. S. There are several men available for each post and it may turn out that the regular lineup will not be decided upon until several games have been played. The Silktown high school has always been represented by a strong aggregation and that the contest Friday night will be an interesting one without saying. ## SYRACUSE JOINS DRIVE FOR CLEANER ATHLETICS

Syracuse, Dec. 15.—Syracuse University has stepped into line with many other universities of the country in the campaign for cleaner athletics and has barred transfer athletes from competition on the hill. There have been many transfers to Syracuse, but the university has decided in the future there will be none.

The greater part of the transfers to Syracuse in the past have been athletes who played their freshman year at some other institution and then decided to enter Syracuse. But now an ironclad rule has been put into effect following careful study of conditions in the Middle West by Coach John P. McEachern and Graduate Manager George B. Thurston. The Western "Big Ten" conference does not permit transfers, and the Syracuse men liked the way the rule worked there.

## HOME RUN RULE MAY STOP RUTH'S RECORD

If the American League's recommendation for adoption next season, it may keep Babe Ruth from equalling his old record of setting a new one, but in general it will have little effect on the calhoun of swat.

The minimum distance proposed is 300 feet, and the big majority of his drives are only getting up speed when that point in the journey is reached. The Babe usually hits them where nobody has hit them before and very few of his homers have been made near the foul line.

This new "dead line" will be even shorter at the Yankee Stadium, leaving the Babe with his usual wile's territory to roam in. In such parks as Cleveland, Philadelphia and St. Louis, however, his total gross output may be cut down somewhat under the proposed rule.

# MADDEN LOSES TO NELSON WHEN HE INJURES HIS ARM IN FOURTH ROUND

What had the makings of one of the fastest bouts ever seen in this city was brought to a sudden close at the end of the fourth round when Frankie Madden of Lowell, Mass., injured his right arm while mixing it with "Fighting Joe" Nelson of Philadelphia in the main bout of the show put on by the National A. C. of this city at Olympic hall on Friday evening.

Injured in a semi-final bout Young Martin Flaherty won a technical knockout over Jack Kolberg of New York in the fourth round of their scheduled eight round mill. In the preliminary bout Pink Burns gained a decision over Jack Douglas of Lowell, Mass., in six rounds.

The main bout started off with a whirlwind of action and the fast pace was maintained while the bout lasted. Both men mixing it with "Fighting Joe" Nelson from the start and some fast fighting was the result. Madden appeared to be the faster of the two, but Nelson had the heavier punch. Madden had some clever work that stood him in good stead in keeping away from Nelson's swings and gave him an opportunity of sending over some stinging rights to Nelson's head. Nelson was almost as fast and had a slight advantage in the mixups but his blows did not seem to weaken the Lowell boy to any great extent.

The first round was practically even while the second was easily Madden's. In the third and fourth rounds Nelson carried the right to Madden and in these rounds had a very small margin on the cards. Nelson was almost as fast and had a slight advantage in the mixups but his blows did not seem to weaken the Lowell boy to any great extent.

The local boxing commission ordered Madden's money held up until a more thorough examination of his arm can be made. Madden will remain in town until an examination can be made this morning by Dr. Sumner.

This was a most unhappy ending for what would have been a top-notch bout but the fans took it all in good part and felt amply repaid by the fast action in the four rounds of the bout.

## The Semi-Final

In the semi-final bout between Young Martin Flaherty won an easy victory over Jack Kolberg of New York in four rounds. Flaherty had the edge on Kolberg at the start and kept it up throughout the bout. Kolberg was not able to land any of his punches and was in a bad way at the end of the fourth round.

Kolberg tried to carry the fight to Flaherty but was unable to do so. Flaherty was in a bad way at the end of the fourth round. Kolberg tried to carry the fight to Flaherty but was unable to do so. Flaherty was in a bad way at the end of the fourth round.

## The Preliminary Bout

Jack Douglas of Lowell took a terrific lacing at the hands of Pinky Burns of New London in the opening bout of the show and it was only Douglas's excellent condition and ability to absorb punishment that saved him from a knockout. Douglas lacked experience and it was plainly evident in his defensive work, but what he lacked in experience he made up in his defensive work.
